

Self-Determination Program Services

Objectives

- Review proposed Self-Determination Program services
- Review services that aren't available in the Self-Determination Program
- Review general service provider requirements

General Requirements

- Participants choose from services in the Self-Determination Program Waiver
- Other than Financial Management services, providers do not need to be vendored
- All services must be included in the individual program plan

Service Considerations

- Flexibility in:
 - Who provides
 - What service “looks like”
- Think beyond what’s available now
- Design service that best fits needs

Examples of Services - Same

- Some are the same as those available now
 - Respite
 - Skilled Nursing
 - Environmental Modifications

Examples of Services - Different

- Independent Facilitator
- Live-In Caregiver
- Integrative Therapies
- Social Recreation
- Participant Directed Goods and Services

What Services Are Not Covered?

- A participant's rent, food, etc.
- Services not in the Waiver once it's approved
- Services provided in settings that do not meet the Federal HCBS regulations
- Generic Services

Generic Resources

- Available to the general community, not just regional center consumers
 - Medi-Cal
 - In-Home Supportive Services
 - Health Insurance
- Must be used first
 - can't choose to use self-determination budget instead of IHSS
