MORE ENERGY AT OUR LOWEST RATE WITH MEDICAL BASELINE

There is nothing more important than your health. That's why we created the Medical Baseline Allowance program. Specifically designed for households that rely on in-home medical equipment, this program allows you to use more electricity at our lowest rate, which can lower your overall monthly energy costs, assuming consistent electricity use.

Enroll Before June 30 — No Doctor's Signature Needed

The COVID consumer protections which waived the need for a medical professional's signature to apply for the Medical Baseline Allowance program expire on June 30 (a signature will be required after that date). A wide range of medical devices and equipment are eligible, so qualifying is easier than ever. Apply today and start saving!

Be Prepared: Get Alerts from Your Utility

When you depend on in-home medical equipment, outages can be even more critical. We're here to help.
