

# Learn and Connect Conference

## Attention Regional Center of Orange County Families

### Join us for a free in-person family conference!

We invite families of all backgrounds, with a focus on Asian, Deaf and Hard of Hearing (DHH), African American/Black/Caribbean (ABC), and Latino/Hispanic communities.

### For RCOC families only

Learn how to support your loved one with a developmental disability and access helpful resources.

#### Topics include

- Parent Mentoring & Community Navigation
- Navigating the Transition to Adult Services
- Resources and Supports for Parents and Young Adults

*Interpretation services will be available in Vietnamese, Korean, Spanish, and American Sign Language (ASL). Other languages available upon request.*

Hosted by the Center for Autism & Neurodevelopmental Disorders in partnership with the Regional Center of Orange County. Supported by Language Access and Cultural Competency (LACC) fund from the Department of Developmental Services (DDS)
