

Potty Training Clinic: Creating Toileting Independence

Live Q & A Session with Speaker
Chrissi Muyot, BCBA
Coyne & Associates

This workshop will be presented in a new format. The speaker from Coyne and Associates will be responding to your questions live on August 16th. However, it is required that you first view a previous recording of *Potty Training*, which will provide you with basic, practical hands-on strategies that every parent needs to understand to implement a successful toilet training program. Many of your questions will be answered in the recording.

**Wednesday, August 16th, 2023
6:30 - 8:00 p.m.**
