This 5-session workshop will cover the basic principles of positive behavior programming. Its focus will be on helping parents of children with developmental disabilities to change their own behavior and that of their children. Parents will be actively involved in this workshop and will be invited to discuss the specific behavioral challenges they are confronting. The 5th session on April 2nd, will focus on toilet training. Parents interested in toilet training are also encouraged to attend the first 4 sessions.

Yesenia Cano, MA, BCBA

Yesenia earned her B.A. in Psychology with a minor in French at Northern Illinois University in DeKalb, IL. She completed her M.A. in Clinical Psychology with a specialization in Applied Behavior Analysis at The Chicago School of Professional Psychology in Chicago, IL and became a BCBA in January of 2011. Yesenia began working with children with autism and other developmental disorders in 2008 and has loved it ever since! She has provided behavioral services, in English and Spanish, to over 250 individuals (1 to 22 years of age) and their families in the home, school, out-patient, and private, clinic setting. Yesenia is currently pursuing her Ph.D. in ABA at The Chicago School of Professional Psychology. She lives in Orange County and is a Clinical Supervisor at Footprints Behavioral Interventions. Yesenia's goal is to help as many children develop and increase appropriate skills and decrease maladaptive behaviors utilizing efficient, effective, evidence-based Applied Behavior Analysis practices while at the same time empowering their parents and caregivers to do the same.
