General Relief funds may be used for the burial or cremation of deceased indigent individuals who are US citizens or legally documented non-citizens when other resources are not available. A relative of the deceased individual must initiate the application. When there are no relatives, the County Public Administrator/Public Guardian's office or County Foster Care program may apply on behalf of the deceased. Any available death benefits must be paid to the County to offset any expenses paid by the county.

## **Completing an Application**

In order to determine if you are eligible for GR and the amount of benefits you may be eligible for, you need to file an application. Applications must be made in person and are taken on a walk-in basis at the above address.

For applicants whose disability prevents them from getting to the above office, the following accommodations are available: a home application, a phone interview, and appointments in any regional office or other community locations. If you are unable to apply for GR in person due to a disability, please contact the Agency at 714-834-8899 and ask to speak to a supervisor. A one-day bus pass is available to individuals who are at a regional Social Services Agency office that does not process GR applications and the individual wishes to apply for GR. The bus pass is to travel to CRO. Bus passes are also available to applicants or recipients who need transportation to meet eligibility and verification requirements.
