

REQUEST FOR PROPOSALS

From Self-Determination Program Local Volunteer Advisory Committee (SDP LVAC) for RCOC

Issued on February 2, 2026

Deadline for submission: May 13, 2026

Background

Self-Determination Program Local Volunteer Advisory Committees (SDP LVACs) were established by law to provide oversight of the Self-Determination Program (SDP) and make recommendations for improvement to each local regional center and the Department of Developmental Services (DDS). Periodically, funds are granted by DDS to SDP LVACs and Regional Centers to support the implementation of the SDP. The SDP LVAC for Regional Center of Orange County (RCOC) has prioritized the needs in the local area and is seeking proposals from interested parties to carry out the below project which the committee wishes to fund.

Project Proposal / Description

RFP for Employee and Labor Law Training

The SDP LVAC seeks proposals to provide Employee and Labor Law training for Self-Determination Program participants and families who act as employers of record. Training must be practical, plain-language, and educational in nature (not legal advice). Prior to delivery, all training content must be reviewed by a California-licensed attorney to ensure accuracy of the information provided.

Training must include the following components:

- Part 1 – Hiring Staff
- Part 2 – Onboarding Staff
- Part 3 – Managing Staff
- Part 4 – Safety & When Things Go Wrong

Delivery Format:

Project activities may be delivered through a combination of online/virtual and in-person formats. Proposers should describe how the selected delivery methods will ensure accessibility, meaningful participation, and equitable access across the RCOC catchment area.

Language Access Requirements:

All trainings, materials, and facilitation under this project must be delivered in both English and Spanish. Written materials must be provided in English and Spanish. Live interpretation

for Korean and Vietnamese is strongly preferred and should be included when feasible.

Proposers should describe their approach to language access and any partnerships or resources they will use to support interpretation and translation.

Participation Capacity:

While limiting class size can provide a benefit to learning and engagement, it is the objective of the SDP LVAC to help all interested persons whenever feasible. Proposers should be willing to run several sessions/cohorts if needed to accommodate demand and maximize access.

Total funding available: Not to Exceed (NTE) \$20,000

Project must be completed by December 31, 2026.
